Comprehensive Annual Financial Report (CAFR)
for the State of Connecticut's Combined Investment Funds (CIF) for the fiscal year ended June 30, 2009

Responsibility for both the accuracy of the data and the completeness and fairness of this report rests with management. All disclosures necessary and required to enable fellow beneficiaries and the financial community to gain an understanding of CIF's financial activities have been included.

We believe the enclosed financial statements and data are presently fairly in all material respects and are reported in a manner designed to present the financial position and results of CIF's operations accurately.

The CIF were established pursuant to Connecticut General Statutes Section 3-31b to provide a means for investing pension and other trust fund assets entrusted to the Treasurer in a variety of investment classes. The Funds are separate, legally-defined open-end portfolios consisting of: the Liquidity Fund, the Mutual Equity Fund, the Core Fixed Income Fund, the Emerging Market Debt Fund, the High Yield Debt Fund, the Inflation Linked Bond Fund, the Developed Markets International Stock Fund, the Emerging Markets International Stock Fund, the Real Estate Fund, the Commercial Mortgage Fund, and the Private Investment Fund.

The units of the Funds are owned by six pension funds, which include: the Teachers' Retirement Fund; State Employees' Retirement Fund; Connecticut Municipal Employees' Retirement Fund; State Judges' Retirement Fund; Probate Court Retirement Fund; and State's Attorney Retirement Fund. In addition, there are eight trust funds which include: the Soldiers', Sailors' & Marines' Fund; Police and Fireman' Survivors' Benefit Fund; Connecticut Arts Endowment Fund; School Fund; Ida Eaton Cotton Fund; Hopemead Fund; Andrew C. Clark Fund; and the Agricultural College Fund.

To meet CIF's obligations for investing pension plans and other trust funds, CIF's assets are diversified over a number of investments, and a host of different investment strategies are employed to control risk. In the past year, the three largest retirement plans, State Teachers' Retirement Fund, State Employees' Retirement Fund and the Municipal Employees' Retirement Fund, representing 99% of the State's retirement assets, posted net total returns (after all expenses) of -17.14%, -18.25% and -14.90%, respectively, compared to the three funds' customized benchmarks, of -17.62%, -18.19% and -15.26%, respectively.

Management is responsible for maintaining a system of adequate internal accounting controls designed to provide reasonable assurance that transactions are executed in accordance with management's general or specific authorization, and are recorded as necessary to maintain accountability for assets and to permit preparation of financial statements in accordance with generally accepted accounting principles. We believe the internal controls in effect during the fiscal year ended June 30, 2009, adequately safeguard CIF's assets and provide reasonable assurance regarding the proper recording of financial transactions.

LETTER FROM THE TREASURER

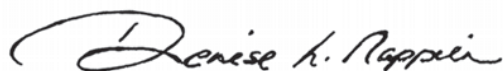

The State of Connecticut's independent Auditors of Public Accounts conducted an annual audit of this Comprehensive Annual Financial Report in accordance with generally accepted auditing standards. The auditors' report on the basic financial statements is included in the Financial Section of this report.

The Government Accounting Standards Board requires that CIF provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of a Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The MD&A can be found in the Financial Section immediately following the report of the independent auditors.

The Government Finance Officers Association of the United States and Canada awarded the Fund a Certificate of Achievement for Excellence in Financial Reporting for its Comprehensive Annual Financial Report for the Fiscal Year ended June 30, 2008. The Certificate is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government financial reports.

As enacted in Public Act 00-43, the IAC annually reviews the Investment Policy (IPS) Statement recommended by the Treasurer which includes an outline of the standards governing investment of the plan and trust funds by the Treasurer. The IPS includes, with respect to each plan and trust fund, (A) investment objectives; (B) asset allocation policy and risk tolerance; (C) asset class definitions, including specific types of permissible investments within each asset class and any specific limitations or other considerations governing the investment of any funds; (D) investment and money manager guidelines; (E) investment performance evaluation guidelines; (F) guidelines for the selection and termination of providers of investment related services who shall include, but not be limited to, external investment and money managers, investment consultants, custodians, broker-dealers, legal counsel, and similar investment industry professionals; and (G) proxy voting guidelines. All plan and trust fund investments by the State Treasurer shall be reviewed by the Investment Advisory Council along with all information regarding such investments provided to the IAC which the Treasurer deems relevant to the council's review and such other information as may be requested by the council. The IAC shall also review the report provided by the Treasurer at each regularly scheduled meeting of the IAC as to the status of the plan and trust funds and any significant changes which may have occurred or which may be pending with regard to the funds. The council shall promptly notify the Auditors of Public Accounts and the Comptroller of any unauthorized, illegal, irregular or unsafe handling or expenditure of plan and trust funds or breakdowns in the safekeeping of plan and trust funds or contemplated action to do the same within their knowledge.

At the close of the fiscal year, the IAC shall make a complete examination of the security investments of the State and determine as of June thirtieth, the value of such investments in the custody of the Treasurer and report thereon to the Governor, the General Assembly and beneficiaries of plan and trust fund assets administered, held or invested by the Treasurer (CGS Sec. 3-13b(c)(2)).

- (1) All rates of return are net of management fees and division operating expenses.
- (2) The market value of the Liquidity Fund for the periods presented represents the market value of the pension and trust balances in the Liquidity Fund only (excluding receivables and payables); the Liquidity Fund balances of the other combined investment funds are shown in the market value of each fund.
- (3) In fiscal year 1999, the Venture Capital Fund was renamed as the Private Investment Fund.
- (4) Investment returns published for prior years were net of management fees, starting with 2008 returns are net of all expenses.
- (5) Represents a composite return of the total pension and trust funds. Individual returns for the three primary pension funds (Teachers, State Employees and Municipal Employees) are separately presented elsewhere due to different asset allocations of each fund.
- (6) On November 1, 2007 the International Stock Fund (ISF) was reallocated into two sub portfolios of international equity securities. The reallocation was a result of the modifications to the Investment Policy Statement (IPS) as approved by the Investment Advisory Council (IAC) and adopted by the Treasurer in October 2007. The reallocation of assets, outlined in the IPS, was based on an asset liability study that identified the need to reallocate the international stock fund into two components: developed markets international stocks and emerging markets international stocks to allow for greater flexibility in managing risk and return in the various Connecticut Retirement Plans and Trust Funds.
- (7) On November 1, 2007 the Mutual Fixed Income Fund was reallocated into four sub portfolios of fixed income securities. The reallocation was a result of the modifications to the Investment Policy Statement (IPS) as approved by the Investment Advisory Council (IAC) and adopted by the Treasurer in October 2007. The reallocation of assets, outlined in the IPS, was based on an asset liability study that identified the need to reallocate the mutual fixed income fund into four components: core fixed income, emerging market debt, high yield debt and inflation-linked bonds to allow for greater flexibility in managing risk and return in the various Connecticut Retirement Plans and Trust Funds.
